

## CURRICULUM VITAE

**Contuzzi Rocco, MD (born on December 7, 1977)**

Address: *Recinto Annunziata Vecchia, 7 – Matera – Italy*

Phone: 0835/332396 - 333/2056320

E-mail: [roccocontuzzi@gmail.com](mailto:roccocontuzzi@gmail.com)

### **Working activities**

September 2014 – present – Interventional Cardiologist at “Madonna delle Grazie Hospital”  
Matera.

February 2013 – August 2014 – Interventional Cardiologist at “Fondazione Giovanni Paolo II”  
Campobasso.

January 2008 – December 2012 – Interventional Cardiologist at “Campus Bio-Medico University  
of Rome”, Department of Cardiovascular Sciences

### **Education**

- November 13<sup>th</sup>, 2007: Graduation in Cardiology with summa (50/50) cum laude following discussion of the experimental thesis by the title “Validita’ dell’Ecocardiografia Tridimensionale nella valutazione della Funzione Ventricolare Sinistra dopo Angioplastica Coronarica: Follow-up Clinico – Strumentale”.
  
- July 2007: Submission to General Medical Council.
  
- October – December 2006: Stage at “NCC Città di Alessandria – Istituto di Ricovero e Cura ad Alta Specializzazione – Presidio del Policlinico di Monza” (Cardiology Department Director M. Fabbrocini) in Cath Lab, **performing 50 coronary angiographies as first operator** and, in Echocardiography Lab.
  
- November 2003-2007: Post-graduate training in Cardiology - "Scuola di Specializzazione in Cardiologia" –Campus Bio-Medico University of Rome, Italy (Director Prof. G. Di Sciascio).  
As regards specific clinical experience, it was split in:
  - About 1 year in Cardiology Division;
  - About 4 months in Internal Medicine;
  - About 5 months in Coronary Care Unit (having some experiences in resuscitation);
  - About 10 months in Echocardiography Lab (performing about 2000 transthoracic echocardiographies (TTE), about 300 three-dimensional echocardiographies (3D live

Echo), about 75 dobutamine stress echocardiographies (DSE), 15-20 transoesophageal echocardiographies (TOE), about 500 Color-Doppler Ultrasonography of epiaortic vessels, about 500 Color-Doppler Ultrasonography of lower limb vessels (arterial and venous); about 500 ergometric tests, about 500 Holter ECG 24H;

- About 7 months in Cath Lab (performing about 350 coronary angiographies as second operator and 200 PTCA as second operator).
  
- September – October 2003: Cardiology training at Campus Bio-Medico University of Rome, Department of Cardiovascular Sciences (Director Prof. G. Di Sciascio).
  
- September 2003: Submission to Italian Medical Council (Matera).
  
- September 2003: Italian unrestricted license to practice Medicine (grade on final examination 109/110).
  
- June – September 2003: “High Formation Course” in “Clinical Bioethics” at “La Sapienza” University of Rome.
  
- November 2002 – April 2003: Post-Degree 6 months obligatory clinical internship in Internal Medicine, General Surgery and Emergency Medicine as established by the Italian government at Policlinico Umberto I (“La Sapienza” University) of Rome and **Course in adult Basic Life support – Defibrillator (BLSD)** “La Sapienza University” of Rome.
  
- November 12<sup>th</sup>, 2002: Degree in Medicine, “La Sapienza” University of Rome Italy (Graduation grade 110/110 magna cum laude).
  
- September 1998 – June 2001: Course in English Language at “Wall Street Institute” of Rome, achieving level “ Threshold grade B (very good) ”.

### ***Publications on Journals***

#### *Original articles and reviews*

1. L. Cardinale, G. Cardinale, **R. Contuzzi**, et al. : “Un caso di iperaldosteronismo”. Casi clinici in Cardiologia. 2005 Momento Medico.
  
2. **R. Contuzzi**, L. Gatto, C. Goffredo, G. Patti, A. D'Ambrosio, E. Covino, M. Chello, G. Di Sciascio: “Giant left ventricular pseudoaneurysm complicating an acute myocardial infarction in patient with previous cardiac surgery: a case report”. Journal of Cardiovascular Medicine, 2009;10:81-4.

### *Selected meeting presentation*

1. "Risk stratification in octogenarians: prospective evaluation of short-term outcome by perfusion and functional cardiac gated SPECT" - G. Carboni, **R.Contuzzi**. 19° Meeting of the European Association of Nuclear Medicine (Athens, 30 September – 04 October 2006).
2. "Detecting myocardial stunning on tc-99m sestamibi gated-spect implies short-term severe prognosis: validation, pitfalls and clinical application" - G. Carboni, **R.Contuzzi**, M. Tavolozza. 19° Meeting of the European Association of Nuclear Medicine (Athens, 30 September – 04 October 2006).
3. "Combined function and perfusion assessment on gated spect predicts outcome in octogenarians" - G. Carboni, **R.Contuzzi**. 67° Meeting of the Italian Society of Cardiology (Roma, 16-19 December 2006).
4. "A rare case of asymmetric left ventricular apical hypertrophy" - C.Goffredo, R. Montesanti, M. Chello, V. D'Alessandro, M.C. Bono, L. D'Antonio, **R. Contuzzi**, G. Di Sciascio. 67° Meeting of the Italian Society of Cardiology (Roma, 16-19 December 2006).
5. "Pharmacologic stress gated-SPECT with dipyridamole or nitrate predicts short-term outcome in octogenarians with ischemic heart disease and inability in exercise". - G. Carboni, **R.Contuzzi**. VIII National Congress of the Italian Association of Nuclear Medicine and Molecular Imaging (AIMN) (Torino, Italy, 20-24 October 2006).
6. "Occlusione bilaterale delle carotidi interne in un paziente asintomatico". - C.Goffredo, L.Gatto, F. Mangiascarpa, R.Montesanti, U.Busi, **R.Contuzzi**, A.D'Ambrosio, M.Chello, G. Di Sciascio. XXVIII Meeting of Italian Society for Angiology and Vascular Medicine (Roma, 15-19 November 2006).
7. "Aterosclerosi coronarica e aneurismi periferici nei pazienti asintomatici: un caso di malattia vascolare polidistrettuale". - C.Goffredo, R. Montesanti, **R.Contuzzi**, L.D'Antonio, M.Chello, E.Covino, D.Candura, G. Di Sciascio. XXVIII Meeting of Italian Society for Angiology and Vascular Medicine (Roma, 15-19 November 2006).
8. "L'arteriopatia periferica nella donna" - C.Goffredo, R. Montesanti, **R.Contuzzi**, G.Salvati, L.D'Antonio, U.Busi, G.Patti, G. Di Sciascio. XXVIII Meeting of Italian Society for Angiology and Vascular Medicine (Roma, 15-19 November 2006).
9. "A rare case of asymmetric apical ventricular hypertrophy". - C. Goffredo, R.Montesanti, M. Chello, L. D'Antonio, MC Bono, U. Busi, E. Covino, **R.Contuzzi**, G. Di Sciascio. X World Congress of Echocardiography and Cardiovascular Imaging (Roma, 19-21 October 2006).
10. "An acute myocardial infarction complicated by a large left ventricular pseudoaneurysm in patient with previous cardiac surgery" **R.Contuzzi**, A.Nusca, G.Patti, L.Gatto, A.D'Ambrosio, C.Goffredo, R.Melfi, G.Di Sciascio. XXVIII Meeting of Italian Society for Invasive Cardiology. Genova, 2-5 October 2007.
11. "A rare case of asymptomatic bilateral internal carotid occlusion" **R.Contuzzi**, A.Nusca, G.Patti, L.Gatto, C.Goffredo, L.Lassandro Pepe, A.D'Ambrosio, G.Di Sciascio. XXVIII Meeting of Italian Society for Invasive Cardiology. Genova, 2-5 October 2007.

12. "Asymptomatic left atrial mixoma: a case report" V. D'Alessandro, A.Nusca, G.Patti, **R.Contuzzi**, L.Lassandro Pepe, A.D'Ambrosio, C.Goffredo, G.Di Sciascio. XXVIII Meeting of Italian Society for Invasive Cardiology. Genova, 2-5 October 2007.
13. "A case of infected ascending aortic pseudoaneurysm in patient with previous cardiothoracic surgery" **R.Contuzzi**, A.Nusca, G.Patti, L.Gatto, R.Melfi, M.Miglionico, C.Goffredo, G.Di Sciascio. XXVIII Meeting of Italian Society for Invasive Cardiology. Genova, 2-5 October 2007.
14. "A rare case of late diagnosis of pulmonary valve stenosis" **R.Contuzzi**, A.Nusca, G.Patti, L.Lassandro Pepe, C.Goffredo, M.Miglionico, A.D'Ambrosio, G.Di Sciascio. XXVIII Meeting of Italian Society for Invasive Cardiology. Genova, 2-5 October 2007.
15. "Bilateral internal carotid artery occlusion in asymptomatic patient: a case report". **R.Contuzzi**, A.Nusca, G.Patti, L.Gatto, C.Goffredo, L.Lassandro Pepe, A.D'Ambrosio, G.Di Sciascio. 68° Meeting of the Italian Society of Cardiology. Roma, 15-18 December 2007.
16. "Pulmonary valve stenosis associated with aneurysmatic dilatation of pulmonary artery trunk: a case report". **R.Contuzzi**, A.Nusca, G.Patti, L.Lassandro Pepe, C.Goffredo, M.Miglionico, A.D'Ambrosio, G.Di Sciascio. 68° Meeting of the Italian Society of Cardiology. Roma, 15-18 December 2007.
17. "A rare case of asymptomatic left atrial myxoma". V. D'Alessandro, A.Nusca, G.Patti, **R.Contuzzi**, L.Lassandro Pepe, A.D'Ambrosio, C.Goffredo, G.Di Sciascio. 68° Meeting of the Italian Society of Cardiology. Roma, 15-18 December 2007.
18. "A case of infected ascending aortic pseudoaneurysm following cardiac surgery". **R.Contuzzi**, A.Nusca, G.Patti, L.Gatto, R.Melfi, M.Miglionico, C.Goffredo, G.Di Sciascio. 68° Meeting of the Italian Society of Cardiology. Roma, 15-18 December 2007.
19. "Three-Dimensional Echocardiography in Follow-up Evaluation of Left Ventricular Function in Patients with Post-Ischemic Cardiomyopathy undergoing Percutaneous Coronary Intervention". **R. Contuzzi**, C. Goffredo, L. Gatto, G. Patti, G. Di Sciascio. XXIX Meeting of Italian Society for Invasive Cardiology. Bologna, 23-26 September 2008.
20. "Follow-up Evaluation of Left Ventricular Function in Patients with Post-Ischemic Cardiomyopathy undergoing Percutaneous Coronary Intervention: Role of Real Time Three-Dimensional Echocardiography". **R. Contuzzi**, C. Goffredo, L. Gatto, G. Patti, G. Di Sciascio. XV Meeting of Italian Society of Cardiovascular Research. Imola, 9-11 October 2008.
21. "Role of real time 3D echocardiography for the evaluation of left ventricular function parameters during follow-up in patients with depressed left ventricular ejection fraction undergoing PCI". **R. Contuzzi**, C. Goffredo, G. Patti, G. Di Sciascio. XII "Annual Congress of the European Association of Echocardiography". Lyon, 10-13 December 2008.
22. "A case of isolated left single coronary artery (sca), with separate origin of left descending coronary and circumflex artery". **R. Contuzzi**, L. Gatto, G. Patti, L. D'Antonio, A. D'Ambrosio, G. Di Sciascio. 69° Meeting of the Italian Society of Cardiology. Roma, 13-16 December 2008.

23. "A case of mediastinal metastasis from a kidney cancer simulating left atrial clot". L. Gatto, C. Goffredo, S. Mega, **R. Contuzzi**, E. Pelini, G. Patti, G. Di Sciascio. 69° Meeting of the Italian Society of Cardiology. Roma, 13-16 December 2008.
24. "Aneurysm of right coronary button after Bentall procedure assessed by transthoracic echocardiography". L. Gatto, **R. Contuzzi**, G. Patti, L. Lassandro Pepe, S. Mega, C. Goffredo, E. Belmonte, G. Di Sciascio. 69° Meeting of the Italian Society of Cardiology. Roma, 13-16 December 2008.
25. "Usefulness of three-dimensional echocardiography in detecting follow-up improvement of left ventricular function in patients with post-ischemic cardiomyopathy undergoing PCI". **R. Contuzzi**, L. Gatto, C. Goffredo, G. Patti, G. Di Sciascio. 69° Meeting of the Italian Society of Cardiology. Roma, 13-16 December 2008.
26. "A case of acromegalic cardiomyopathy". **R. Contuzzi**, L. Gatto, S. Mega, C. Goffredo, A. D'Ambrosio, G. Patti, G. Di Sciascio. 69° Meeting of the Italian Society of Cardiology. Roma, 13-16 December 2008.
27. "Detecting and relieving peri-infarctual ischemia may prevent cardiac death in the elderly". G P. Carboni, M. Macri, S. Caroli, **R. Contuzzi**, presentato al "ICNC 9, the International Conference of Non-Invasive Cardiovascular Imaging - Nuclear Cardiology and Cardiac CT". Barcelona, 10-13 May 2009.
28. "Percutaneous coronary intervention beyond coronary artery by-pass conduits: a monocenter experience". **R. Contuzzi**, A. Nusca, D. Grieco, M. Miglionico, G. Patti, G. Di Sciascio. XXX Meeting of Italian Society for Invasive Cardiology. Bologna, 20-23 October 2009.
29. "High levels of asymmetric dimethyl-arginine (ADMA) levels increase residual platelet reactivity after clopidogrel administration in patients undergoing elective PCI" A. Nusca, G. Di Giovanni, L. Gatto, G. Patti, M. Miglionico, A. D'ambrosio, **R. Contuzzi**, G. Di Sciascio. XXX Meeting of Italian Society for Invasive Cardiology. Bologna, 20-23 October 2009.
30. "Evaluation of ventricular remodeling with 3d-echocardiography in patients undergone to coronary angioplasty for chronic total occlusion". I. Castiglione, R. Melfi, C. Goffredo, **R. Contuzzi**, A. Nusca, A. D'Ambrosio, G. Patti, G. Di Sciascio. XVI Meeting of Italian Society of Cardiovascular Research. Imola, 29-31 October 2009.
31. "Elevated pre-procedural ADMA levels are associated with reduced left ventricular ejection fraction in patients undergoing elective PCI". G. Di Giovanni, L. Gatto, A. Nusca, F. Battistoni, G. Patti, R. Melfi, **R. Contuzzi**, A. D'Ambrosio, G. Di Sciascio. XVI Meeting of Italian Society of Cardiovascular Research. Imola, 29-31 October 2009.
32. "Relationship between asymmetric dimethylarginine (ADMA) levels and residual platelet reactivity after clopidogrel administration in patients undergoing elective PCI". G. Di Giovanni, L. Gatto, A. Nusca, F. Battistoni, G. Patti, M. Miglionico, **R. Contuzzi**, A. D'Ambrosio, G. Di Sciascio. XVI Meeting of Italian Society of Cardiovascular Research. Imola, 29-31 October 2009.

33. "A case of cerebral embolization from cardiac metastasis of melanoma" E. Carlodalatri, **R. Contuzzi**, L. Gatto, S. Mega, V. Calabrese, S. Picarelli, G. Patti, A. D'Ambrosio, G. Di Sciascio. 70° Meeting of the Italian Society of Cardiology. Roma, 12-15 December 2009.
34. "Ventricular geometry and cardiac remodeling in patients presenting chronic total occlusion of the infarct related artery and undergoing percutaneous coronary angioplasty" I. Castiglione, R. Melfi, C. Goffredo, **R. Contuzzi**, A. Nusca, A. D'Ambrosio, G. Patti, G. Di Sciascio. 70° Meeting of the Italian Society of Cardiology. Roma, 12-15 December 2009.
35. "Percutaneous coronary intervention beyond coronary artery by-pass conduits: a single center observational study". **R. Contuzzi**, A. Nusca, D. Greco, M. Miglionico, G. Patti, G. Di Sciascio. 70° Meeting of the Italian Society of Cardiology. Roma, 12-15 December 2009.
36. "Leptin levels and clopidogrel non-responsiveness in patients undergoing PCI: a dangerous relationship not yet described". L. Gatto, A. Nusca, **R. Contuzzi**, G. Di Giovanni, E. Ricottini, G. Patti, A. D'Ambrosio, G. Di Sciascio. ESC Congress 2010 and published on European Heart Journal (2010); 31 (Abstract Supplement), 157.
37. "Elevated plasma levels of asymmetric dimethylarginine (ADMA) are associated with high residual platelet reactivity after clopidogrel therapy in patients undergoing elective PCI". [A. Nusca](#), [G. Di Giovanni](#), [L. Gatto](#), [G. Patti](#), [M. Miglionico](#), **R. Contuzzi**, [A. D'ambrosio](#), [F. Battistoni](#), [G. Dicunzo](#), [G. Di Sciascio](#). ESC Congress 2010 and published on European Heart Journal (2010); 31 (Abstract Supplement), 204.
38. "Hyperinsulinemia correlates with periprocedural myocardial infarction in patients undergoing PCI". [L. Gatto](#), [A. Nusca](#), **R. Contuzzi**, [G. Patti](#), [A. D'ambrosio](#), [G. Di Giovanni](#), [F. Marino](#), [G. Di Sciascio](#). ESC Congress 2010 and published on European Heart Journal (2010); 31 (Abstract Supplement), 667.
39. "Efficacy of glucose-insulin-potassium and N-acetyl-cysteine in prevention of contrast-induced nephropathy in diabetic and/or with chronic renal failure patients undergoing percutaneous coronary intervention: preliminary results from a randomized trial". A. Nusca, C.M. Campanale, **R. Contuzzi**, G. Patti, A. D'Ambrosio, G. Di Sciascio. Il Giornale Italiano di Cardiologia Invasiva Suppl.3 2010,
40. "Leptin levels predict clopidogrel non-responsiveness in patients undergoing percutaneous coronary revascularization". L. Gatto, A. Nusca, **R. Contuzzi**, G. Di Giovanni, E. Ricottini, G. Patti, A. D'Ambrosio, G. Di Sciascio. Il Giornale Italiano di Cardiologia Invasiva Suppl.3 2010, 113.
41. "Plasmatic neutrophil gelatinase-associated lipocalin (pNGAL) as marker of clinical instability in patients with coronary artery disease undergoing percutaneous coronary revascularization". C.M. Campanale, A. Nusca, **R. Contuzzi**, A. D'Ambrosio, G. Patti, G. Di Sciascio. Il Giornale Italiano di Cardiologia Invasiva Suppl.3 2010, 207.
42. "Relationship between insulinemia levels and occurrence of periprocedural myocardial infarction in patients undergoing coronary angioplasty". L. Gatto, A. Nusca, **R. Contuzzi**, G. Di Giovanni, F. Marino, G. Patti, A. D'Ambrosio, G. Di Sciascio. Il Giornale Italiano di Cardiologia Invasiva Suppl.3 2010; 224.

43. "Hyperinsuliemia and incidence of periprocedural myocardial infarction in patients undergoing coronary revascularization". L. Gatto, A. Nusca, **R. Contuzzi**, G. Di Giovanni, F. Marino, G. Patti, A. D'Ambrosio, G. Di Sciascio XVII Meeting of Italian Society of Cardiovascular Research. 7-9 October 2010.
44. "High levels of asymmetric dimethyl-arginine (adma) and increased residual platelet reactivity after clopidogrel administration in patients undergoing elective coronary revascularization". G. Di Giovanni, A. Nusca, L. Gatto, F. Battistoni, F. Marino, G. Patti, A. D'Ambrosio, **R. Contuzzi**, G. Dicuonzo, G. Di Sciascio. XVI Meeting of Italian Society of Cardiovascular Research. 7-9 October 2010.
45. "Relationship between leptin levels and clopidogrel non-responsiveness in patients undergoing percutaneous coronary revascularization". L. Gatto, A. Nusca, **R. Contuzzi**, G. Di Giovanni, E. Ricottini, G. Patti, A. D'Ambrosio, G. Di Sciascio. XVI Meeting of Italian Society of Cardiovascular Research. 7-9 October 2010.
46. "Hyperinsuliemia increase the occurrence of periprocedural myocardial infarction in patients undergoing coronary stenting". L. Gatto, A. Nusca, **R. Contuzzi**, G. Di Giovanni, F. Marino, G. Patti, A. D'Ambrosio, G. Di Sciascio. 71° Meeting of the Italian Society of Cardiology. 11-13 December 2010.
47. "Leptin levels and clopidogrel non-responsiveness in patients undergoing percutaneous coronary revascularization: a "dangerous relationship" not yet described". L. Gatto, A. Nusca, **R. Contuzzi**, G. Di Giovanni, E. Ricottini, G. Patti, A. D'Ambrosio, G. Di Sciascio. 71° Meeting of the Italian Society of Cardiology. 11-13 December 2010.
48. "High levels of asymmetric dimethyl-arginine (ADMA) are associated with increased residual platelet reactivity after clopidogrel administration in patients undergoing elective PCI". G. Di Giovanni, A. Nusca, L. Gatto, G. Patti, F. Battistoni, A. D'Ambrosio, M. Miglionico, **R. Contuzzi**, G. Dicuonzo, G. Di Sciascio. 71° Meeting of the Italian Society of Cardiology. 11-13 December 2010.
49. [Preliminary results from a randomized trial on glucose-insulin-potassium and n-acetyl-cysteine in prevention of contrast-induced nephropathy in diabetic and/or with chronic renal failure patients undergoing percutaneous coronary intervention.](#) Nusca, Annunziata; Campanale, Cosimo Marco; **Contuzzi, Rocco**; Patti, Giuseppe; D'Ambrosio, Andrea; Di Sciascio, Germano. Published as abstract on Journal of the American College of Cardiology vol. 57 issue 14 April 5, 2011. p. E1889.
50. Glucose-insulin-potassium with or without n-acetyl-cysteine for prevention of contrast-induced nephropathy in high risk patients undergoing coronary intervention: preliminary results from a randomized trial. C.M. Campanale, A. Nusca, **R. Contuzzi**, A. D'Ambrosio, G. Patti, G. Di Sciascio. XXXII Meeting of Italian Society for Invasive Cardiology. 11-14 October 2011.
51. GIK and N-Acetyl-Cysteine in prevention of cin in diabetic and/or with chronic renal failure patients undergoing PCI: preliminary results from a randomized trial. C.M. Campanale, A. Nusca, **R. Contuzzi**, G. Patti, A. D'Ambrosio, G. Di Sciascio. 72° Meeting of the Italian Society of Cardiology. 10-12 December 2011.

52. Plasmatic neutrophil gelatinase-associated lipocalin (pNGAL) is associated with clinical instability in patients with coronary artery disease undergoing percutaneous coronary revascularization. C.M. Campanale, A. Nusca, **R. Contuzzi**, G. Patti, A. D'ambrosio, G. Di Sciascio. 72° Meeting of the Italian Society of Cardiology. 10-12 December 2011.
53. Drug Eluting Balloon for the treatment of in-stent restenosis in high risk patients: a single center experience with angiographic follow up. M. Miglionico, D. Scordino, F. Mangiacapra, A. Nusca, P. Gallo, R. Melfi, **R. Contuzzi**, A. D'Ambrosio, G. Patti, G. Di Sciascio. XXXIII Meeting of Italian Society for Invasive Cardiology. Genova, 3-5 October 2012.
54. Correlation Between Glycemic Variability Evaluated by Continuous Glucose Monitoring System, iPro™, and Renal Function Injury after Contrast Exposure during Percutaneous Coronary Intervention. Proscia C, Nusca A, Melfi R, Campanale C.M., **Contuzzi R.**, Lauria Pantano A, Maddaloni E, D'Ambrosio A, Patti G, Pozzilli P, Di Sciascio G. XXXIII Meeting of Italian Society for Invasive Cardiology. Genova, 3-5 October 2012.
55. Glucose-Insuline-Potassium and N-Acetyl-Cysteine for the prevention of Contrast-Induced Nephropathy in high risk patients undergoing percutaneous coronary intervention. C.M. Campanale, A. Nusca, C. Proscia, **R. Contuzzi**, G. Patti, A. D'Ambrosio, R. Melfi, G. Di Sciascio. 73° Meeting of the Italian Society of Cardiology. 15-17 December 2012.
56. Safety and efficacy of titanium-nitride-oxide-coated stent (Titan 2) implantation in a “real world” population: a single centre experience. C. Demartini, A. Nusca, R. Melfi, M. Miglionico, P. Gallo, **R. Contuzzi**, F. Mangiacapra, G. Patti, A. D'Ambrosio, G. Di Sciascio. 73° Meeting of the Italian Society of Cardiology. 15-17 December 2012.
57. Correlation Between Glycemic Variability Evaluated by a Continuous Glucose Monitoring System, iPro™, and Renal Function Deterioration in patients undergoing Contrast Administration during Percutaneous Coronary Intervention: Preliminary Results of a Prospective Study. Proscia C, Nusca A, Melfi R, D'Ambrosio A, Patti G, Lauria Pantano A, **Contuzzi R.**, Campanale C.M., Maddaloni E, Pozzilli P, Di Sciascio G. 73° Meeting of the Italian Society of Cardiology. 15-17 December 2012.
58. Role of Doppler echocardiography and right heart catheterization in cardiopulmonary hemodynamics assessment in patients with pulmonary arterial hypertension, A. Carcagnì, S. Funaro, G. Testa, G. Zaccardo, F. Pellone, **R. Contuzzi**, F. D'Amico, V. Turchiarelli, E. Lubrano, F. Alessandrini. XXXIV Meeting of Italian Society for Invasive Cardiology. Genova, 9-11 October 2013.
59. Glycemic variability assessed by continuous glucose monitoring: a new tool to estimate short-term outcome in patients undergoing percutaneous coronary intervention. C. Proscia, A. Nusca, R. Melfi, M. Campanale, D. Manciocchi, **R. Contuzzi**, E. Maddaloni, A. Lauria Pantano, P. Pozzilli, A. D'Ambrosio, G. Patti, G. Di Sciascio. XXXIV Meeting of Italian Society for Invasive Cardiology. Genova, 9-11 October 2013.
60. Multiple recurrent in-stent restenosis of internal carotid artery. C. Campanale, **R. Contuzzi**, G. Di Gioia, A. D'Ambrosio, G. Patti, G. Di Sciascio. XXXIV Meeting of Italian Society for Invasive Cardiology. Genova, 9-11 October 2013.

61. Periprocedural glycaemic control for prevention of contrast-induced acute kidney injury in patients undergoing percutaneous coronary intervention: preliminary results from a prospective, randomized study. C.M. Campanale, A. Nusca, L. Ammirati, C. Proscia, F. Lassandro Pepe, V. De Francesco, P. Gallo, **R. Contuzzi**, R. Melfi, G. Patti, A. D'Ambrosio, G. Di Sciascio. XXXIV Meeting of Italian Society for Invasive Cardiology. Genova, 9-11 October 2013.

Matera, Jan 2018-01-16

Sincerely  
Rocco Contuzzi, MD
