The screenshot shows the Radio Verona website with a blue header containing the logo and a microphone icon. Below the header is a navigation bar with links for 'PUBBLICITÀ' and 'CONTATTACI'. The main content area features a large image of a smiling woman wearing headphones, with the text 'Non la solita radio.' overlaid. To the left of this image is a vertical menu with links: 'Home', 'Conosci la tua Radio', 'Il palinsesto', 'Programmi', and 'Live'. Above the woman's image, the frequencies '103.00 MHz' and '103.90 MHz' are displayed. Below the image, the text 'Eventi e spettacoli' is visible. On the right side, there is a social media section for 'Radio Verona' with a Facebook 'Mi piace' button showing 3.267 likes and a Twitter link to '@radioverona'. Below this is a promotional banner for 'PALLA AL CENTRO' on Sundays from 11:05 to 13:00. Further down, there are two main sections: 'Diretta Sport' which covers live commentary for Chievo and Hellas Verona matches, and 'Radio Verona On Air' which promotes 'Radio Verona Live' and lists live content such as the latest GR, streaming live, goals from Chievo and Hellas, and the most listened-to radio in Verona, including a 'Speciale Hellas Verona'.
